

As an independent voter, seeking responsible coverage of the election, I am appalled by the actions of Sinclair Broadcasting.

I am sure that you have received many complaints about Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This appears to be yet another example of the dangers inherent of media consolidation.

Sinclair's actions show why we need to strengthen media ownership rules and enhance the renewal process to ensure that this type of abuse of our public airways does not continue.

Thank you for your time.
